GOLD COAST

SIMON CRAFT
MANAGING DIRECTOR

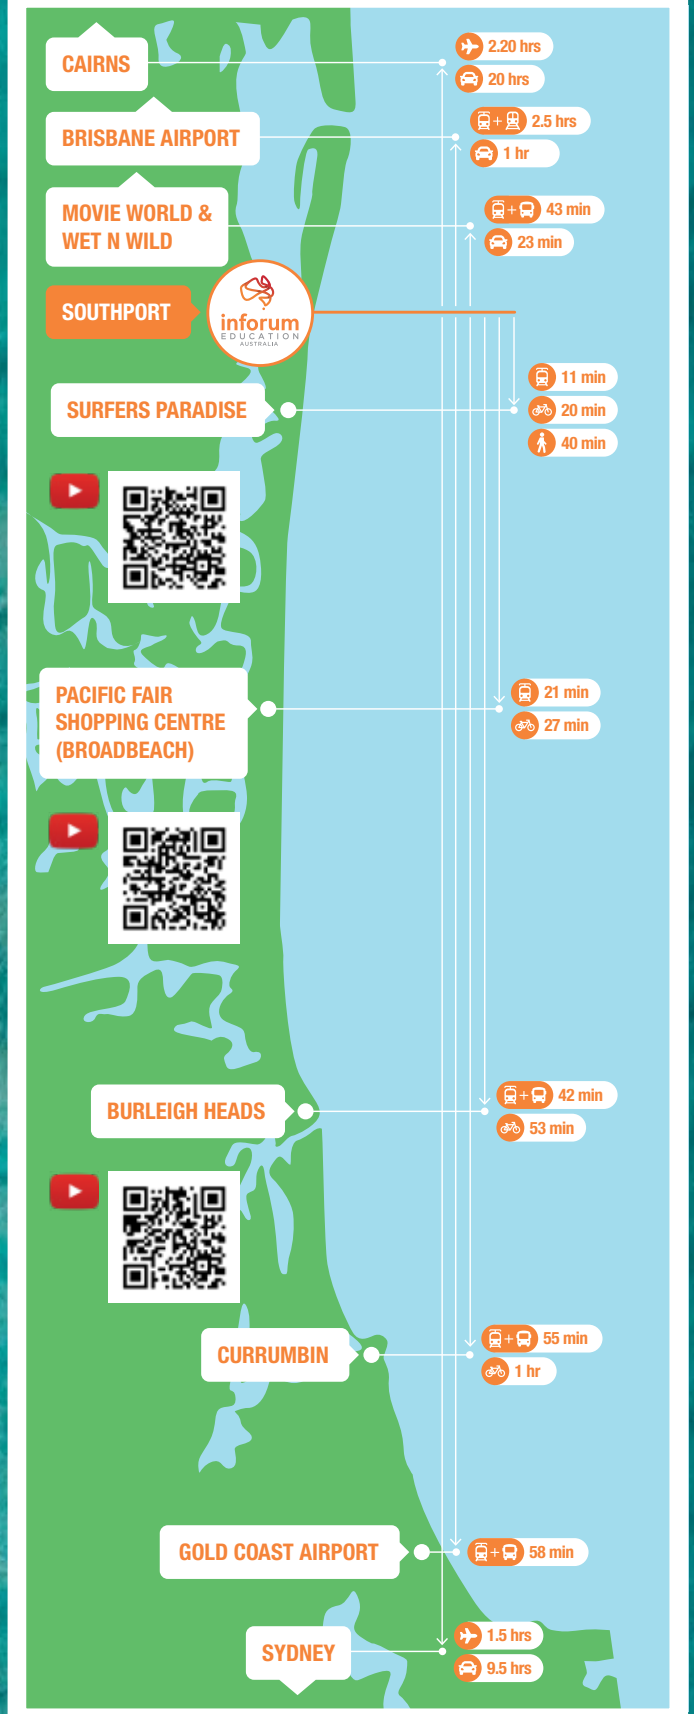

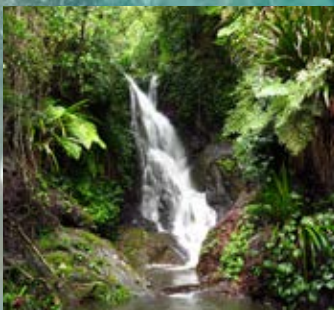

Each morning when I walk on the beach, I feel so lucky to live in this amazing place. I've taught English for twenty years in more than seven countries and I still believe the Gold Coast is the best place to live and study English. You will enjoy the beaches, city, bush and sitting outside cafes and restaurants enjoying our warm, sunny weather. Inforum Education is the school I created in 2007 where my friendly staff and highly qualified teachers will welcome you and help you achieve your goals. I hope to meet you at Inforum very soon.
